SUNY Potsdam – Campus Layout and Parking: www2.potsdam.edu/campusmap (provides a link to the university's interactive map showing building shapes, names and locations; use tab at top to link to the parking map)

LAYOUT NOTES: SUNY classroom buildings are largely situated in a square, with the **Crumb Library** sitting in the center of the quad. At each corner of the quad, you will find an open-arched walkway between the buildings. You can “cut through” some buildings to get to the other side; and, in many cases, walk through adjacent buildings. There is one large open gap in the quad: a statue of Minerva stands there, looking across Barrington Drive to the main entrance of the **Barrington Student Union** (where we will have our fall luncheon at the end of this semester). Opposite to the north-east side of the quad (i.e. across from **Kellas**, Merritt and **Timerman Halls**, sits the Crane School of Music, with its own library and classroom buildings - Schuette Hall and **Bishop Hall**, as well as Hosmer Hall, Snell Music Theater, and new Performing Arts Center (PAC), with its new Proscenium Theatre (and the main box office). **Maxcy Hall** (sports complex) sits by itself with its own parking areas, just off Outer Main St. You can find the **SOAR office in room 382** (on the third floor; just to the left when you exit the elevator) of **Van Housen Extension**. The **University Police** is directly below the SOAR office on the first floor.

PARKING NOTES: Please give yourself extra time for parking and walking to your SUNY classrooms. **Parking reminders:** 1) Write your plate # on the permit; 2) Park **ONLY** where visitor parking is permitted; 3) Always display your permit on your rearview mirror when on campus; 4) Your permit is valid through August 31, 2017.
