

S18 MATERIALS LIST for “Art for Beginners” - from Allyson Brosemer

YOU WILL NEED:

- **5-7 brushes**, rounds and flats are fine, try and get a few of each. They can vary from nylon, synthetic, horse hair, or even camel hair brushes. Can vary in sizes as well, from a 2 to a 12.
- **1 Set of Micron Pens**, can range in sizes from a 01 to a 08. Nothing crazy! Three to five different sizes would work just fine.
- **1 watercolor paint set**. Walmart had a **Sax True Flow Set** of 16 Watercolor set. Try to find a set with more than just 8 colors. A set of 16 would work.
- On DickBlick there was “**Sargent’s Watercolor Cakes**” which had ranges of a set of 16 to a set of 36.
- You may need some miscellaneous supplies such as; sharpies, pencils, paint palette, folder for handouts, a small bag to carry your supplies in, a water dish (empty plastic yogurt cups work), a rag to dry wet brushes on (old t-shirts work the best).

Paper:

- Arches 10x14 Watercolor Pad, 140lbs, Hot Press, found on www.dickblick.com (pack of 12)
- Strathmore Watercolor Paper 400 Series, Cold Press, 140lbs, 12x18in, 12 sheets. (Had at SUNY Potsdam Bookstore)
- You may also get Arches Watercolor Paper at the bookstore by the sheet, just ask and they will show you where it is! I would be more than happy to cut it down into the size we’ll need for the class. **AB**

Please feel free to bring any materials you have at home already too.
