SUNY Potsdam Campus:

Barrington Student Union MPR (second floor, back side). Use the main entrance (which faces the statue of Minerva); go straight up the staircase (taking the left branch) to second floor; turn right at the corridor; and walk straight back to the MPR (multi-purpose room). To use the elevator: from the main entrance, take the right-hand hallway to the restrooms alcove; the elevator is just to the right of the "men's room" door; once upstairs, work your way back to the front of the building and cross over to the other corridor; turn right, then straight to the MPR.

❖ **Restrooms** are also near the entrance to the MPR.

Crane: Bishop C107. Park in lot 9 (avoiding any restricted areas), on the "Bishop" side, as close as you can to the new Performing Arts Center. Walk to connection doors between the PAC and Bishop Hall. Once inside, look for an alcove nearby on the left; you have arrived at C107. In the center of the main corridor you will find two perpendicular corridors flanking the elevator. **Men's restroom** is down the first corridor, and **women's** is down the second.

MacVicar 129. Park in lot #2 (*directly across from MacVicar*). Enter the building at the entrance under the name "MacVicar Hall" on the outside wall. Take the short 6 stairs up and enter the main corridor; turn left. Room 129 is the large classroom on the right, just past a small sitting area and exit door to the quad. **Restrooms**, nearby.

Maxcy 104 and Maxcy Dance Studio. Park in lot #30 or #27 (NOT lot #29, the row closest to the building).

Room 104 (ground floor): after entering, bear right and go to far end of the corridor and turn left; 104 is the first room on the right.

Dance Studio (on 3rd floor): after entering, bear right; take the first stairs on the left to 3rd floor (or use the elevator at far end of the corridor); as you head down the corridor, the Dance Studio is the first room on the right, overlooking the parking lot.

❖ **Restrooms** - use women's locker room opposite 104 or men's locker rooms near the entrance to the building; or walk past 104, go up the stairs and find regular restrooms nearby.

Satterlee 120. Park in lot #1 (or #2). Enter the quad from the Morey/Flagg corner, but walk outside towards the far end of Satterlee, passing by the main entrance (under the clock tower), to find the set-back entrance to the Brainerd Art Gallery. Enter there. Once inside, find the large classroom 120 just ahead, on the right. (**Restrooms** are nearby.)

Satterlee 225. Park in lot #1 (or #2). Enter the quad from the Morey/Flagg corner. Enter Flagg (on the right) and take the nearby staircase to the second floor; walk to the far end of the corridor and down a half-flight of steps into Satterlee, arriving into the history of SUNY Potsdam display area. Walk through the display area to the far side where you can either take the stairs or the elevator to the second floor. Continue down the second-floor corridor, almost to the end (note the **restrooms** as you go by). Room 225 will be on your right, at the end of the last short corridor.

Stowell Planetarium. Park in lot #6 (*behind Kellas Hall*) then go through the back door of Timerman and exit out the front corner door that leads to Stowell; or park in lot #9 (*behind the Performing Arts Center*) then walk down Barrington Dr. to the corner door across from Timerman to enter Stowell. Once in Stowell, walk to the other end to take the elevator or stairs down to the Planetarium, nearby below. **Restrooms** are in the center of each long corridor.

Thatcher Dining Hall. This dining hall sits next to Barrington Student Union. Park in lots 18, 19, 20, or 22 (near the SOAR office). Walk up Watertown Drive to Barrington Drive. Thatcher Hall is the first building on the right. Once inside take the stairs to the second floor. **Restrooms** are on the first floor.

Other Potsdam Locations:

CPH (Canton Potsdam Hospital): (50 Leroy St.) Conference Room A and B. The parking lot at lunch time is often pretty full; carpool, if you can. Once inside the main entrance, turn left at the check-in area and go all the way to the very end of the corridor; take the elevator to the second floor, exit and walk through the double doors to the far end. Conference room A and B are on the right. **Restrooms** are opposite the room.

Mayfield Apartments: Community Room, (22 Mayfield Drive - just off May Road). The community room is in the one-story office building in the center of the circular drive at the back of the complex. Park only where you see “**VISITOR**” (*marked on the curb*), or park in the lot beyond the circle. **Restroom** is adjacent to the room.

Potsdam Civic Center: Community Meeting Room, (2 Park Street). (*The room is on the 2nd floor of the new addition at the back of the older Civic Center*). Park behind the building complex or in any nearby public parking lot (*e.g. find free parking sections across from, and behind, the theater*). Do **NOT** park in the IGA lot! Enter at the doorway, using the Police Station entrance; once in, turn right, go up a half-flight of stairs; turn left and go up another half-flight to the room. (There is a small **elevator** near the stairs. **NOTE:** *Close the inner elevator door as well as the outer door to turn on the light inside.*). **Restrooms** are directly under the Community Meeting Room.

Coming from Potsdam on Hwy 11, turn right onto 310 at the first stop light (Stewarts); pass by Judson St., make a sharp left at the next road; pass by Maplewood (a “United Helpers” complex). Partridge Knoll, is the next right (“Sullivan Dr.”) and then another right into the driveway for Partridge Knoll, then left. The MPR is at the front left end. More parking is around the corner. From downtown Canton, turn onto Court Street; continue onto State St.; just past the Canton schools, turn left onto Sullivan Dr. and follow directions above. **Restrooms** are near the main entrance.

Use the front entrance and walk straight back through the wide open main lobby to the conference rooms. If you enter from the parking lot door, work your way through the corridors to the lobby, then to the conference rooms at the back. Look for the sign on the door for your driving class. **Restrooms** are in an alcove in the Lobby.

St. Lawrence University – SLU:

- Do **NOT** park in marked reserved spots for *faculty/staff or visitor* - those all require an SLU pass. To avoid getting a ticket, park only in **lot J** (just beyond the science buildings); or **lot D** (behind and on the far side of the sports complex - *no parking pass needed!!*)
- At the stoplight by the post office, turn and drive past the post office on Park St., passing by all the SLU buildings, to the far end of campus. **Lot J will be on your left, and lot D will be on your right.** The walk from **lot J** is uphill; the walk from **lot D** is more level, but a little longer and you will need to cross Park St.
- **Always display your SOAR parking pass!** (SLU Security knows when and where we have classes on campus.)

Brown 139: Park in J lot at the far side. Walk up the path with the handrail to Flint Hall. Enter Flint (offices) and exit at the other end, taking a half-flight of stairs up to the next level. Turn right to enter Brown Hall, passing by the corridor with window views. Stop at the next corner left: the **ladies restroom** is behind you, the **men’s restroom** is to your left, and Room 139 is directly in front of you.

Johnson 309: Park in J lot, close to the street. Walk along Park Street to the third building – “Johnson Hall of Science,” and enter at the second door down. Enter and take the nearby elevator to the third floor. Follow the corridor, passing by the **restrooms**, to the last room. You have arrived at Johnson 309.

Valentine 105: Follow the directions for Brown 139, but when you get inside, turn left into the hallway for Valentine. Room 105 is down a few doors on the right; **restrooms** are across the hall.

Turn right, and at the junction at the top of the hill, also bear right. Just past Nevaldine North, turn left onto Miller Road. Park in Lot 1 on the right and walk up to the Miller Campus Center. Enter the building, walk a quarter way around on the left to find the elevator. Take it to the second floor. Once you step out of the elevator, you will find 212 immediately on your right. **Restrooms** are in the adjacent long corridor with the photos on the wall.
