and affiliated with  
**ROAD SCHOLAR INSTITUTE NETWORK**

## About SOAR

SOAR is a member-directed adult learning group sponsored by SUNY Potsdam through the Center for Lifelong Education and Recreation (CLEAR). SOAR is also one of over 300 such lifelong learning groups affiliated with the Road Scholar Institute Network. SOAR's goal: create stimulating opportunities to keep mind, body and spirit vital.

SOAR began in 2001, and since then it has grown to over 400 members. SOAR's existence depends not only on the services and support of our host locations, but also on the efforts and dedication of our SOAR volunteers: board and committee members, course presenters, classroom and office helpers, and many others who work behind the scenes.

## SOAR Members

Though beyond full-time responsibilities of family and work, SOAR members continue to be active, inquisitive, energetic and creative people. They enjoy intellectual stimulation, hands-on activities, going places, and good fellowship. They love learning just for the sake of learning, and they love sharing what they know.

For their yearly \$65 membership fee, SOAR members may take as many courses as they like. At an additional cost, members also may enjoy day trips and other special events throughout the year, including a luncheon at the end of each semester. New members may join SOAR at any time. All memberships are renewable at the time of fall registration.
